

**Letter of Agreement Between
 Living Passages (LP) and _____ (TG)**

This agreement will be between Living Passages (LP) and _____, hereinafter referred to as the Traveling Group (TG), which is based in _____. Today's date is _____. The minimum anticipated size of the group (in addition to the group leader(s) will be _____ persons. This minimum can be increased by TG to secure more potential space on the ship if space is available at the time of request. The segment(s) being requested is/are segment(s) _____, and passengers would first board the ship in _____ and finally leave the ship in _____.

Getting Started

Within three (3) weeks of the signing this agreement, TG will pay to LP a "good-faith" deposit of \$100 per person for each of the number indicated above as the group's minimum size. This deposit is refundable until July 15, 2009. In the event TG participants have not begun individual registrations, a second deposit of \$200 per person will be paid by August 15, 2009. Lastly, in the event TG's block is not yet filled, a 3rd deposit in the amount of \$200 per person will be due by October 15, 2009. These deposits will be refunded once the block is taken by TG's individual registrations.

All deposits paid by the church or ministry will be refunded to TG at the time the block's slots are filled with names of your participants and their registrations are in house with LP. These deposits will be held in trust. These funds are not used for operating expenses.

TG agrees to provide the following services:

TG will recognize this as a fund-raising or missions development opportunity and will therefore actively and enthusiastically market participation in this tour, using all means at its disposal, including but not limited to websites, printed church programs or newsletters, press releases, announcements at gatherings, targeted mailings, email bursts, ads in newsletters, and personal solicitations by pastors, board members, and other leaders.

TG assumes all responsibility for any costs of such marketing to potential participants. Since most of the marketing can be done via methods that are already a part of regular church activity, LP assumes that any additional costs would be negligible.

ACCEPTED and AGREED:

I am authorized to speak on behalf of TG, and we want to take advantage of this opportunity and therefore agree to the above terms.
