

Randy Sanders is the 2014 Ron Lamb Mission Service Award Recipient

Dr. Randy Sander’s dedication to Christian missions and the furthering of God’s kingdom through dentistry has positively impacted multitudes of dental providers and patients around the world for many years.

Randy leads dental mission work overseas and has been very active in the Christian Dental Society for the past twenty-five years. He has felt the call of God upon his life to serve others and use his gift of dentistry. Randy can be heard to say, “Mission trips changed my life and ultimately every member of my family, and many of the people in my church . . . I did teeth and pastors shared the gospel.” Randy has also been very active as a leader and mentor in his local Church, overseeing building projects, teaching, and administrating.

Dr. Sanders took his mission experiences and has shared his Christian outreach passion and expertise by helping lead the Christian Dental Society in encouraging, training, and

equipping dental missions. He is a past President of the CDS and has been an active Board Member or Advisory Council member for over twenty years. He shoulders the huge responsibility of managing, storing, organizing, supplying, mailing, and teaching others how to use the CDS surgical and restorative kits along with sterilization rentals for mission trips around the world. He has done this task without any reimbursement, and has helped hundreds of dental missions who in turn have impacted thousands.

Dr. Randy Sanders has a gentle, servant’s heart which is full of love for our Savior. His enthusiasm and willingness to help others with dental missions or their Christian walk is infectious. His exemplary life serves as a Christian witness worthy of emulation.

The Dr. Ron Lamb award comes with a \$500 gift certificate donated by Dr. Ron Lamb and World Dental Relief. Thanks to Dr. Lamb and WDR.

CDS Yearly Dues Notice

Dr. Monica Oliveira Hewitt & Dr. Scott Hewitt

We are asking all CDS members to please send in membership dues in November. We are the only volunteer organization which exists to encourage, assist, and equip dental missions world-wide, and we thank you for your generous support. We ask that all members please help us find others to join the CDS.

The Christian Dental
Society Portable
Dentistry Mission Manual

CDS members will soon publish The Christian Dental Society Portable Dentistry Mission Manual, with all profits going to the CDS. The CDS Board voted to sponsor the book, as there is a significant need for an informative, well-referenced, updated, and comprehensive dental mission trip manual. A draft copy will be sent to any CDS Member upon request. Everyone who gives feedback, sends pictures, or contributes in any way to the Manual will be acknowledged, by name. Send requests for the draft copy to Dr. Bob Meyer, at bdmeyer@comcast.net

Reminder to Members

- Mark your calendar to join us at our annual CDS meeting, which will be held at the ADA convention in Washington DC on November 5-7, 2015.

CDS Booth at the ADA Exhibit Hall, San Antonio, TX 2014

CDS Members manned and “womanned” the CDS information booth at the ADA Exhibit Hall from October 9-11, 2014. The booth showed a portable sterilizer pot, a portable dental operating unit, the CDS portable chair, and featured ideas on how to go about putting together a portable dental mission trip. Over 300 people stopped to receive the CDS Membership Brochure and three newsletters from the past year. Thanks to those who helped with the booth: Gayle and Nita Cheatwood, Nancie Yarbrow, Judy Martin, Scott and Monica Hewitt, Frank Cho, Katy Barlow, Robert Liebler, and Bob and Diane Meyer. All those who showed interest in the CDS by filling out an information form will receive a letter from the CDS encouraging participation.

Dick and Judy Martin brought wonderful samples from their

“Dress a Girl Around the World” collection to add color to the CDS booth. The adorable and unique dresses added another ministry opportunity at the CDS booth, informing inquirers on “How a Simple Pillowcase Dress Can Save a Child’s Life.”

Will you help at a CDS booth at a dental convention? Please let Dr. Bob Meyer or Tina know if you can help at a CDS booth in the coming year—at the Greater New York, Rocky Mountain, Hinman, Anaheim, Texas, Florida, ADA or other dental meetings. If you would like to set up a booth, we can send the items and coach you on how to introduce dental personnel to the CDS and Portable Dental Equipment.

CDS Breakfast Event at the ADA Convention in San Antonio

The Historic Menger Hotel was a beautiful setting for the 2014 meeting of the Christian Dental Society (CDS). The CDS Board voted last year to have CDS events and the annual CDS Board/Advisory Council Meeting at the yearly American Dental Association (ADA) Conference.

Thanks to Dr. and Mrs. Jody Yarbrow for arranging for the evening dinner social for the CDS functions. Dr. and Mrs. Bob Meyer arranged for a free recruitment breakfast, with an attendance of around fifty members, family, and friends. Dr. and Mrs. Richard Martin opened the morning with worshipful songs. A power-point presentation by CDS President, Dr. Bob highlighted the need for dental missions and the unique ways in which the CDS is reaching

many around the globe for the cause of Christ. Prayers were offered by CDS Past-President, Dr. Jody Yarbrow and President-Elect, Dr. Monica Oliveira Hewitt.

CDS Members that were acknowledged during the CDS Presentation included: Dr. Robert Liebler, Treasurer; Mrs. Tina Wendel, Secretary; Dr. David Moretz, Equipment Manager; Dr. Randy Sanders, Restorative and Surgical Kits and Sterilizer Manager; Dr. Ron Lamb, World Dental Relief Director; Dr. John Balikowski, Director of Ethiopia Dental School; Dr. Jim Carney and Dr. Bill Griffin, Jamaica Dental Student Trips; Dr. Frank Cho, Cambodia Dental Ministries; and Dr. Gayle Cheatwood, who developed our CDS dental chair and spoke of ministry in Uganda.

Significant Board Decisions

Dr. Randy Sanders, CDS Manager of Surgical and Restorative Kits, stated that CDS has equipped 36 missions so far in 2014 (compared to 27 in 2013). We need more surgical and restorative kits, amalgamators, and curing lights. Donations will be accepted, and announcements of these needs will be made on the CDS Website and in Newsletters. The CDS Board also voted to give Dr. Sanders \$1,000 each year to supplement current instruments, as needed.

Dr. Randy Sanders & Dr. Dave Moretz

Dr. Dave Moretz, the CDS equipment manager reports the CDS has thirteen Aseptico ADU-04 dental units, ten Aseptico Air Pac II 110Volt compressors, two Aseptico Air Pac II 220 Volt compressors, three Aseptico AA74 220 Volt compressors, and fifteen Cheatwood-designed dental chairs. In 2013, CDS and Dave supported twenty-four trips, and so far, in 2014, there have already been twenty-six trips. The board discussed the need for more self-contained dental operating units.

A \$25 fee for the administration of CDS Designated Fund Accounts will be charged when an individual uses this method for tax write-offs for mission trips. If several trips are done by the same individual, they will only pay once per year.

Dr. Gregory and Chantal Ellis

The CDS Board voted to add Mark and Susan Curtis and Paul Shada to the Advisory Council. Mark and Susan Curtis' business (www.CurtisGroup.com) developed our CDS logo and the CDS website. For no charge, they now host the CDS website, make updates, provide emailing services, and produce CDS brochures, newsletters, and much more. The CDS is grateful for their generous gifts, and are excited to have them on our Council.

Mr. Paul Shada, Dr. Jim Wolf, & Dr. Robert Liebler

Paul Shada, now owns and runs Bell Dental, and has worked for many years on the design and production of portable dental equipment. He will work with the CDS to rent battery-operated hand-pieces for mission work and will also advise the CDS. Paul's expertise on portable equipment will be an excellent addition to the Advisory Council.
