

Dr. Ron Lamb Mission Service Award:

The Dr. Ron Lamb Mission Service Award is a unique Christian Dental Society award to recognize individuals whose exemplary service and Christian faith have been used on the dental mission field. They have committed themselves to the dentally underserved and have exemplified ethical integrity, professional competence, and an integration of faith and practice.

The first award was given to and named after Dr. Ron Lamb, and is usually presented to a deserving individual at the yearly CDS Banquet held in conjunction with the ADA convention each year. An awardee must be a CDS member but not a current Board member. Individuals are nominated by a CDS member and voted on by the CDS Board. Honorees have received a \$500 World Dental Relief certificate from Dr. Ron Lamb.

Below is a list of the Dr. Ron Lamb mission awards and other special awards presented by the CDS, and the location where given:
